# Floodlight
ECONLED SENSOR-MICROWAVE - MEDIUM
Product Codes: LEDFLOOD20W4KS-BLK/ WH

eurotech lighting

120°	IP65		3 YEAR	75+ CRI	CCT
BEAM ANGLE	IP RATING	SENSOR	WARRANTY	CRI	1 COLOUR

Control sensor sensitivity, lux levels and time delay settings of your LED Floodlights with a hand held remote control

Height 126 mm
Depth 36 mm
Length 180 mm
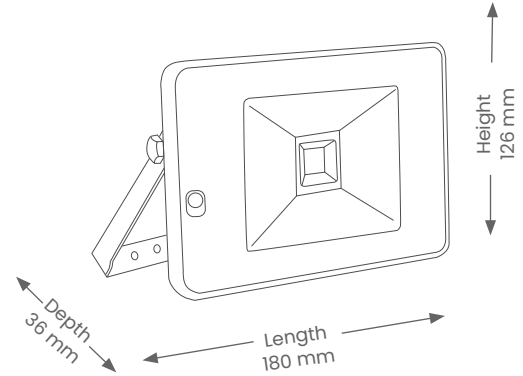

Product Features

• Suitable for residential in exterior installations
• Cost effective solution for lighting up residential environments such as drivewways, sheds, and garages
• Comes with remote control
• Lifespan- 40,000 hrs(L70)
• Also available in a non-sensor model : LEDFLOOD20W4K-BLK & LEDFLOOD20W4K-WH

Materials & Finish

• **Material**
  - Powder coated aluminium
• **LED Type**
  - Integrated SMD LED
• **Colour**
  - ● Black ○ White

Specifications

• Non-Dimmable
• **Sensor**
  - Built-In - Microwave Sensor
  - Detection Distance - 1-8m
  - Time -30sec - 1hr
• **Power**
  - Voltage - 230V
  - Driver - Integral
  - Wattage -20W
  - Power Factor - >0.9
• **Light Output**
  - Lumens - 2000lm
  - Colour Temperature - 4000K
  - CRI - >75
• **Lamp**
  - Tech - Integrated LED

Installation

• **Mounting** - Surface Mounted
