Wet Area IP65 12W LED Dimmable Downlight
Model: LDE-IP65-SC

superlux
we engineer light

RRP: $63.50

DIMENSIONS

Flange size 110mm diameter

Hole cut: 95

Cavity depth: 120

Side clearance: 20

TECHNICAL DATA

Total lumens: 1080

Colour temp: 3,000K

Power supply: 220-240V, Double Insulated

Dimmable: Yes

CRI: 83

Wattage: 12

Beam angle: 60°

Control gear: Included

FEATURES

heat reducing SOLE PLATE on base of driver for extended driver life

Building insulation may cover driver

12Watt Samsung LED chip

Multi Dimmable- from 100% down to 5%

60 degree half beam light,full beam 120 degrees

Full aluminum construction body and trim

Easy large looping terminal block on driver for quick and easy installation

SAA saftey approved driver

Full aluminium construction

SPECIFICATIONS

IC-F

Material: Aluminium

Lamp included: Yes

Air / Moisture Transfer: Closed

IP Rating: IP65

Technology field: LED

Colour: Satin Chrome
