

HIGHBAY
PLUTO
Product Code: PLUTOHB

Product Features

- 3 x Colour Temperature Selectable
- 3 x Wattage Selectable
- Replaceable Surge Protection Device (SPD) 10kV
- 2m cord, with NZ plug

Materials & Finish

- **Material**
 - Die-Casting Aluminium with PC lens
- **Colour**
 -  Black

Specifications

- Voltage – 230V
- IP Rating – IP65
- IK Rating – IK08
- Lamp Technology – LED
- Beam angle – 90° with PC Lens
- Lamp Life: L70 50,000
- CCT Switchable – 4000K | 5000K | 6000K
- Lumen efficacy 170lm/w (+/-5%)
- refer to photometric files for lumens per colour temp/wattage
- Wattage Selectable – 200W | 160W | 120W
- SPD specification: 10kV, full specification supplied on request.
- Weight: 2.7KG (3.2kg with diffuser)
- 2m cord supplied with NZ plug fitted.
- Ambient temperature range: -20°C- 40°C
